House Committee on Appropriations  
U.S. House of Representatives

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Coshocton CR 16 resurfacing Project in fiscal year 2024. The entity to receive this funding is the Coshocton County Engineer's Office located at 23194 County Road 621 Coshocton, Ohio 43812. The funding would be used to comprehensively repave Coshocton County Road 16. The project is an appropriate use of taxpayer funds because a 10-year resurfacing cycle needs to be met to ensure safe travel and the road connects the two largest municipalities in the county.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
Troy Balderson
